## ***When you choose your contractor:***

1. Can you communicate openly with the contractor?
2. Does the contractor take time and listen to what you want?
3. Get references from previous customers.
4. Talk to previous customers; visit them if possible.
5. Validate license and insurance. Call State Licensing Board.
6. Call the Better Business Bureau and the State DCP.
7. Get everything in writing!

***Avoid the hassle...  
let us search for you!***
