

If you love your car.....

baby it with the right formula!

BioDiesel™ fuel blend from **Guardian Fuel** babies your diesel engine with superior lubricity for longer engine life, quiet idle, and improved acceleration!

Moms love **BioDiesel™** fuel blend too, because it's clean fuel for a cleaner Earth!

- 60-70% improved emissions
- No more big black smoke plumes

BioDiesel™ is made from American grown, natural, renewable and biodegradable oil to reduce air and water pollution, and help ensure a cleaner future for our children.

Call **Guardian Fuel** today for a dealer near you.
